INTERNSHIP EXPERIENCE

• 06.11.2024

Position: Senior Project Student

FNSS

- Developing Turkish language processing system with integrated text-to-speech (TTS) and speech-to-text (STT) functionalities, optimized for Turkish and designed to connect seamlessly to FNSS services.

• 12.08.2024 - 10.09.2024

Position: Summer Intern

ALTINAY DEFENCE

- Participated in a project where I built a website using ReactJS, deployed the application on an AWS cloud server running Ubuntu and using Nginx for deployment.
- Gained hands-on experience with Docker while managing and optimizing container image

• 03.07.2023 - 12.08.2023

Position: Summer Intern

ERPA PAYMENT SYSTEMS

- Participated in a project where I developed login and registration panels using HTML, CSS, and JavaScript, integrating them with PHP for backend processing. Connected these panels to a MySQL database for secure data storage and retrieval. Utilized DataTables to display data in the user interface and implemented full CRUD functionality for efficient data management.
